CERTIFICATE OF MAILING

I hereby certify that this correspondence is being deposited with the United States Postal Service as First Class mail in an envelope addressed to: Assistant Commissioner for Patents, Washington, D.C. 20231, on the date noted below.

Thomas Langer
Attorney: Thomas Langer

Dated: March 21, 2002

In the event that this Paper is late filed, and the necessary petition for extension of time is not filed concurrently herewith, please consider this as a Petition for the requisite extension of time, and to the extent not tendered by check attached hereto, authorization to charge the extension fee, or any other fee required in connection with this Paper, to Account No. 06-1378.

Sir:

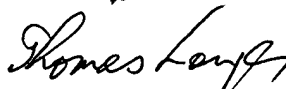

This is responsive to the Patent Office communication mailed January 22, 2002, the term for response to which expires on March 22, 2002.

The Declaration filed 06 August 2001 was found not to be in compliance with the requirements of 37 CFR 1.63 and 1.497 because it did not list the citizenship, residence and postal address for the deceased inventor, Gerhard RITTER. Accordingly, a replacement document containing this information is submitted herewith.

Authorization is given to charge any required fees which may be required in connection with this paper to Deposit Account No. 06-1378.

It is respectfully requested that prosecution on the merits
now proceed.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Thomas Langer".
